GOLF TOURNAMENT APP BY Parful

Tournament budget

Projected figures before you set the entry fee, actual figures after the day. The two columns side by side are the lesson for next year.

BREAK-EVEN PLAYERS

Fixed costs are paid whether 40 or 120 play: signs, prizes, insurance, the photographer. Per-player cost is green fee, cart share, food and gift. Divide the first by the entry fee minus the second.

FIXED COSTS	ENTRY FEE MINUS PER-PLAYER COST	PLAYERS TO BREAK EVEN

Set the entry fee from this sheet, not from last year. Green fees and food are the two figures that move.

Sponsor tracker

One line per sponsor from the first yes to the thank-you. Tick each stage as it happens, so nothing is promised and forgotten.

Invoice the week the sponsor says yes. A pledge in March that is not invoiced is a conversation again in August.
