ORGANISER

Assumption of risk. I understand that golf and attending a golf event carry risks, including being struck by a ball or club, slips and falls, weather, insect and animal contact, and the use of golf carts. I take part voluntarily and accept these risks.

Release. To the fullest extent the law allows, I release the organiser, the charity or beneficiary, the golf course and its staff, the sponsors and the volunteers from claims for injury, loss or damage arising from my participation, except where caused by their negligence or wilful misconduct and where the law does not permit such a release.

Fitness and medical care. I am fit to take part. If I am injured or unwell and cannot speak for myself, I consent to first aid and emergency medical treatment, at my own cost.

Conduct and rules. I will follow the rules of golf as published for this event, the course rules, the cart rules and the instructions of the organiser and course staff. The organiser may remove a player who does not, without refund.

Alcohol. If alcohol is served, I will drink responsibly, I will not drive a cart if I am impaired, and I will not drive home if I am over the limit.

Photography. Photos and video are taken at the event. I agree that my image may be used by the organiser and the beneficiary to report on this event and to promote future ones, without payment. Tick the box below if you do not agree.

Your details. The organiser uses the details on this form to run this event and to contact me about it. They are shared with the course and the scoring provider only as needed to run the day, and are not sold.

Refunds. Entry fees are refundable up to the date stated by the organiser. After that date they are a donation unless the event is cancelled by the organiser.

For the organiser. This page is a starting point written in plain words, not legal advice. Liability law differs between the US, the UK and Ireland, and between states. Replace the release paragraph with wording your adviser approves, and check whether your course or insurer has a form of their own.
